WHERE INDUSTRY MEETS ACADEMIA

The 21st IEEE International Symposium on Antenna Technology and Applied Electromagnetics **(ANTEM)**, co-sponsored by IEEE Canada, IEEE AP-S, and IEEE MTT-S, will bring together researchers, engineers, and industry leaders of antennas, propagation, and applied electromagnetics. Taking place between **June 13-16, 2027**, in **Kelowna, British Columbia, Canada**, ANTEM offers a highly focused technical forum where attendees can engage in meaningful discussions, foster collaborations, and explore the latest advances in the field. With an expected attendance of more than 120 participants from over 15 countries, and strong representation from industry and academia, ANTEM 2027 provides a unique opportunity to connect with experts, share innovative research, and help shape the future of electromagnetics. Join us in Kelowna and be part of the conversation.

WHY SPONSOR?

Whether your goal is to recruit emerging talent, showcase new products and technologies, strengthen brand visibility, or build partnerships with leading universities and global industry organizations, ANTEM 2027 provides direct access to a highly engaged and influential technical audience. Attendees will find a program of technical sessions, keynotes, and research presentations, along with student and early-career initiatives, awards, and plenty of time to network. The setting is intimate (at the **Okanagan Golf Club**), so sponsors and exhibitors get real face-to-face time with the people shaping the field: academic leaders, R&D teams, and the decision-makers who source materials, devices, design and test solutions, components, and services.

WHAT'S SPECIAL AT ANTEM 2027

- **CONNECT** with a focused audience of engineers, scientists, university researchers, engineering managers, and decision-makers from more than 17 countries.
- **BUILD VISIBILITY** and showcase your company, products, and services to a highly engaged technical community.
- Enjoy **3 INDUSTRY SESSIONS** between June 13 to June 16, 2027, in Kelowna, with plenty of opportunities to network and develop business relationships.
- **MEET FACE-TO-FACE** with professionals responsible for sourcing materials, components, devices, design tools, test solutions, and engineering services.
- **RECRUIT** top talent, including graduate students, early-career researchers, experienced engineers, and leading academics.
- **STRENGTHEN ACADEMIC PARTNERSHIPS,** with approximately half of attendees representing universities and research institutions.
- **MEASURE YOUR SUCCESS** with lead retrieval.
- Get **DIRECTLY LINKED** from the ANTEM 2027 website to your company's page.
- Explore **CROSS-MARKETING** opportunities, as ANTEM promotes its exhibitors and sponsors through social media and other channels leading up to the event.

MESSAGE FROM THE INDUSTRY CHAIR

Industry is a driving force behind innovation, economic growth, and technological advancement. ANTEM provides a premier platform for industry, academia, and government to connect, exchange ideas, and foster collaborations that advance antenna and applied electromagnetics technologies. As Industry Chair, I am committed to strengthening these connections and creating opportunities for organizations to showcase innovation, build partnerships, engage with emerging talent, and gain insights into the latest technological developments. I encourage you to take full advantage of the symposium's technical program, exhibition, and networking opportunities as we work together to accelerate innovation, support industrial growth, and develop solutions that benefit society.

CONFERENCE SCOPE AND EVENTS

CONFERENCE SCOPE

RF, Microwave, & mm-Wave Components, Circuits and Systems

Electromagnetic Theory, Metamaterials and Metasurfaces

Antennas & Propagation

Measurements, EMI/EMC & Spectrum Management

Next-Generation Wireless Networks

Microwave Sensing and Applications

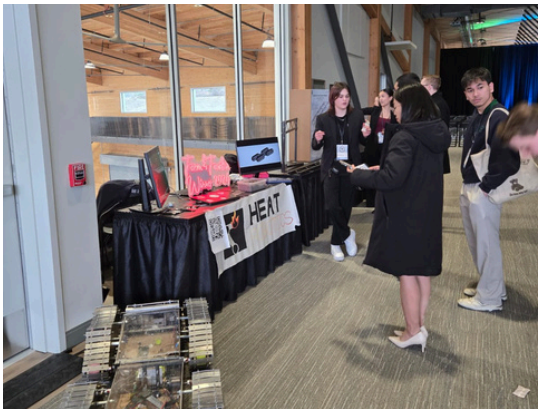

AI/ML and Emerging Technologies

Wireless Power Transfer and Energy Harvesting

INDUSTRY EVENTS

EXHIBITION

Host an exhibition booth on Day 3 which is the only day with a dedicated exhibition floor, open all day for attendees to explore at their own pace. For three uninterrupted hours, all parallel sessions pause, bringing the entire conference audience directly to you. Showcase your products, run live demos, and engage with students, young professionals, and researchers actively looking for real-world solutions and opportunities.

NETWORKING EVENING AND CAREER FAIR

The Career Fair and Networking Evening are among the most anticipated moments of ANTEM 2027 where sponsors connect directly with delegates in a relaxed, engaging atmosphere. Through an informal mixer, your team will meet talented students and young professionals, explore internship and job opportunities, and build lasting brand recognition within a highly targeted technical community.

SPONSORSHIP OPPORTUNITIES

	Principal	Gold	Silver	Bronze
Organization logo on conference website, social media, and e-mails	✓	✓	✓	✓
On-site branding/logos in high-traffic areas	✓	✓	✓	✓

CUSTOM SPONSORSHIPS

Exclusive for ANTEM 2027 in Kelowna!

LANYARD

Location: Entrance
Cost: $750

Put your brand around every neck. Your logo will be featured on the lanyards worn by all attendees throughout the conference. The sponsor is responsible for providing the lanyards, with the final design subject to ANTEM 2027 approval.

FLOOR CLING

Location: Entrance
Cost: $200 - $400
Available: 3

Get noticed from the ground up. Your brand will be featured on one of three floor decals located at the main entrance, main hall entrance, or mini hall entrance.

CUSTOM WATER BOTTLES / HYDRATION STATIONS

Location: Main Hall
Cost: $1500
Available: 1

Refresh attendees. Reinforce your brand. Your logo will be featured at the conference water station and on water bottle signage, keeping your brand visible throughout the event.

BROCHURE INSERTS IN ATTENDEES' KIT

Cost: $250
Available: 3

Put your message directly into attendees' hands. Include a brochure or promotional item in every attendee kit, giving delegates a take-home reminder of your company, products, and services long after the event.

SPEAKER'S GIFT

Cost: $1500
Available: 1

Make a lasting impression on conference speakers. Your brand will be featured on a gift presented to each presenter, keeping your company top-of-mind with the experts and thought leaders driving the conversation.

CUSTOM SPONSORSHIPS

PHONE RECHARGE STATION

Location: Entrance / Main Hall
Cost: $1250
Available: 2

Power up the conversation. Your logo will be featured in the charging lounge, creating a natural gathering place where attendees can recharge their devices while connecting with your brand.

ATTENDEE BAG

Cost: $1500
Available: 1

Place your company logo right on top of the attendee bag, where every guest will see it and carry it.

PODIUM COVER

Location: Main and Mini Hall
Cost: $1000 - $1500
Available: 2

Be front and center for every speaker. Your logo on the podium cover is in view for every presentation, keynote, and announcement on stage.

SPEAKERS BREAKFAST SPONSOR

Location: Main Hall
Cost: $1500 per day
Available: 3

Start the day with our speakers. Your brand is recognized at the exclusive breakfast where presenters gather, connect, and get ready to take the stage.

WI-FI PASSWORD PRINTOUT

Location: Every table
Cost: $300
Available: 1

Be the brand everyone looks for first. Your logo on the Wi-Fi password card goes straight into the hands of every attendee who logs on, and they'll check it again and again throughout the event.

BECOME AN EXHIBITOR AT ANTEM 2027.

Connect with decision-makers. Showcase your products and services to engineers, researchers, and industry leaders seeking the latest materials, devices, components, design tools, test solutions, and services.

Reserve your booth today and put your solutions at the center of the conversation.
